THE CREATIVE PACKAGING

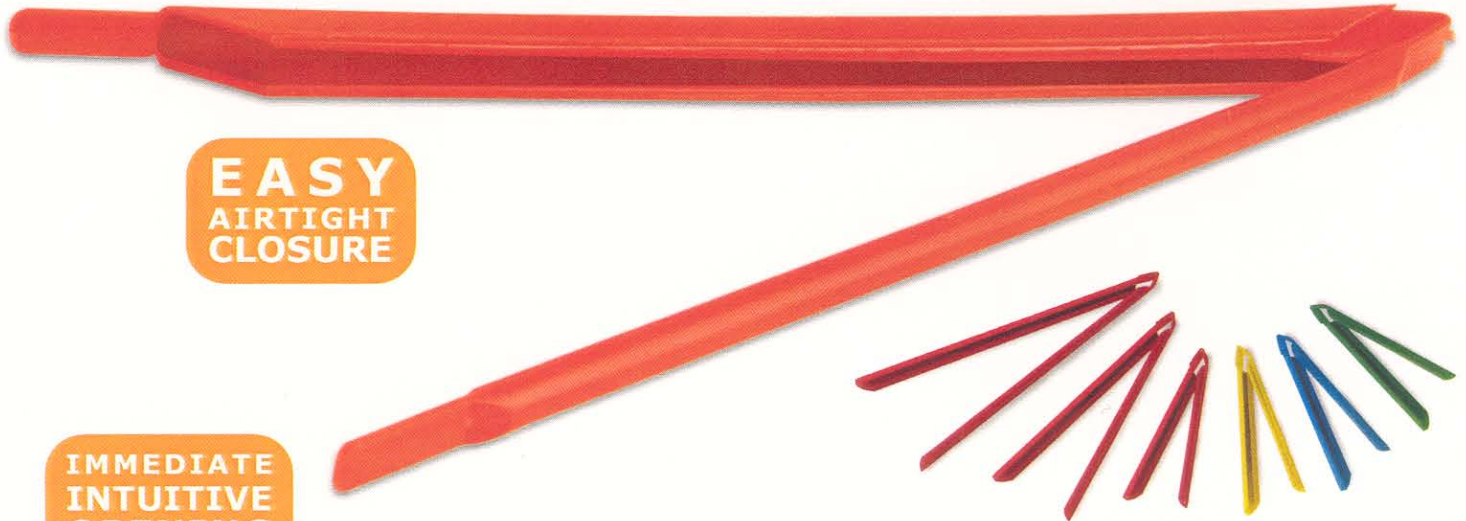

idealClip

THE UNIVERSAL RECLOSABLE SYSTEM

PAT. PENDING

IdealClip is an airtight, reusable sealing system for bags and pouches.

Easy to apply and to open, IdealClip keeps the freshness of foods intact and offers a watertight seal. It is available in different sizes and colours, and can be personalised.

**EASY
AIRTIGHT
CLOSURE**

**IMMEDIATE
INTUITIVE
OPENING**

**AVAILABLE IN DIFFERENT SIZES
AND IN ANY COLOURS**

TO CLOSE

PRESS IT

HOW IT WORKS

It is applied by simply pressing down with the fingertips, and opens up easily by pulling the protruding strip on the package.

PULL IT

TO OPEN

AIRTIGHT, WATERTIGHT SEAL

IdealClip's perfect seal keeps the freshness of the product intact. If positioned at an angle, it helps pouring.

REUSABLE AND CUSTOMISABLE

INSERT IT

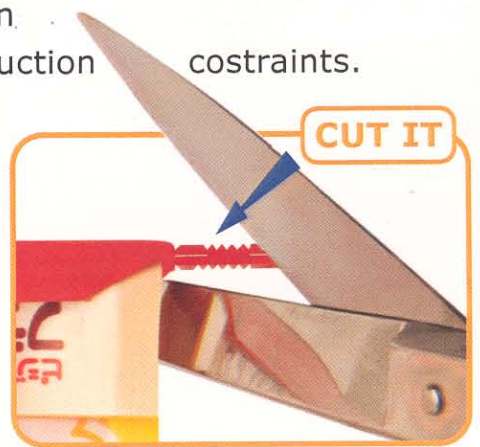

INDUSTRIAL APPLICATION

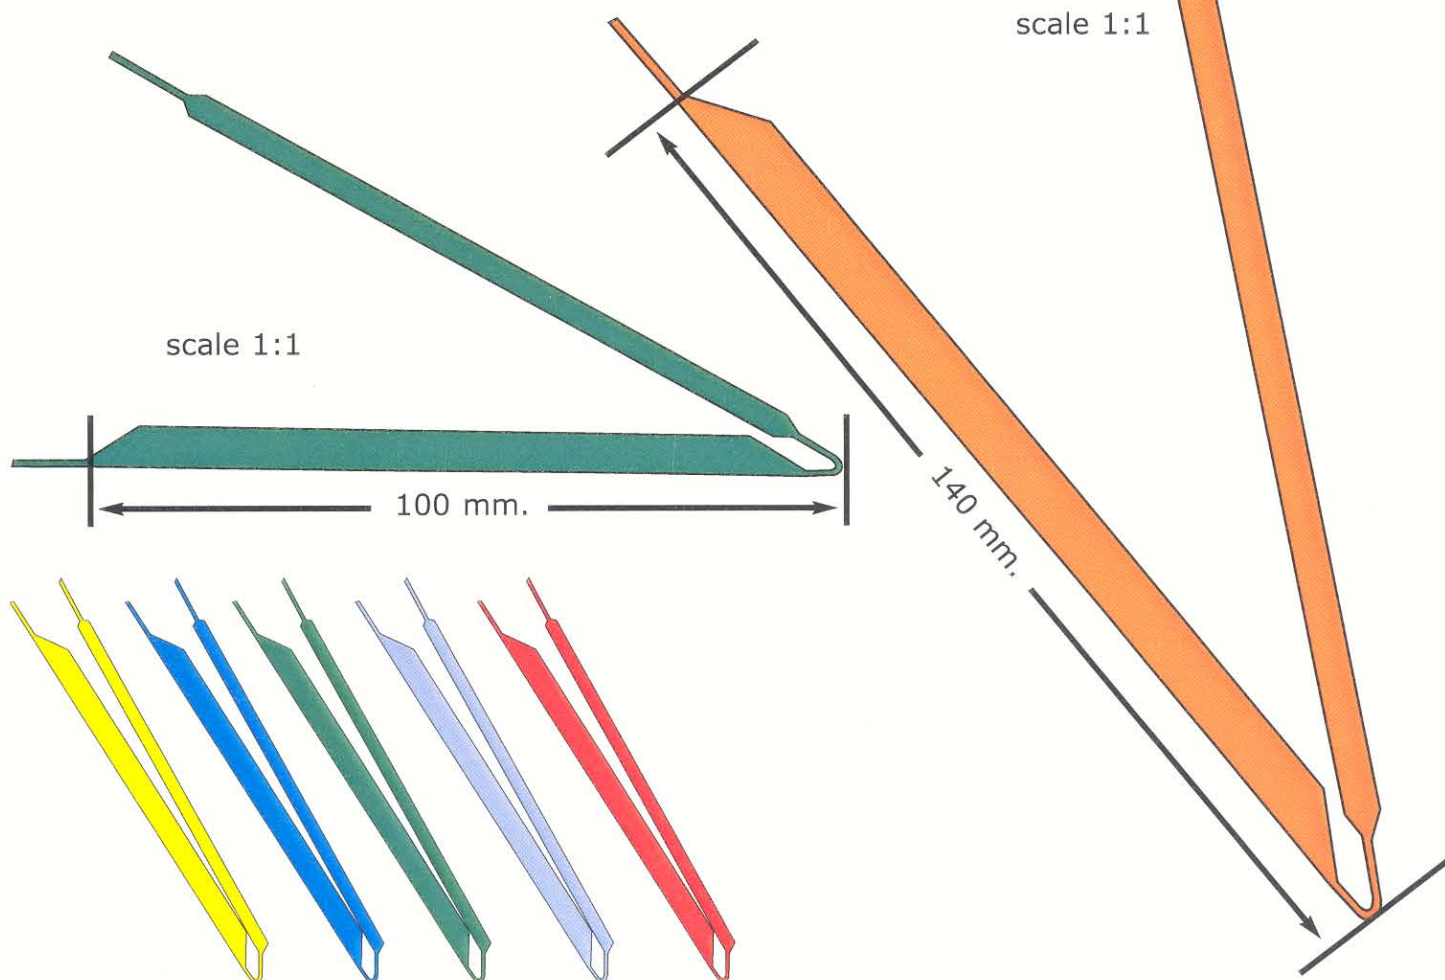

It can be applied in-line on any type of flexible packaging in an extremely economic way and without particular production constraints.

SEAL IT

CUT IT
